First Drive Experience

at the Haynes International Motor Museum

Your first time behind the wheel is only the beginning!

The Ziemelis Driving School approved driving instructors will take you through basic car control in a safe and traffic-free environment in a dual controlled car with the emphasis on building confidence and awareness.

A recent Government backed initiative will soon start promoting early drives to reduce teenage fatalities on our roads - the First Drive Experience is the perfect way to get ahead.

About the venue

The prestigious Haynes International Motor Museum is based at Sparkford in Somerset and is home to the UK's largest collection of the greatest cars in the world. The First Drive Experience utilises the private test track at the museum with its smooth tarmac surface and challenging turns and curves, giving you an unrivalled opportunity to get your driving skills on the right track.

Driving packages

- A 30 minute First Drive Experience is £40 (includes briefing and 30 minutes of driving time)
- A 60 minute First Drive Experience is £75 (includes briefing and 60 minutes of driving time)
- Each 60 minute session includes free entry into the Haynes International Motor Museum
- Second and subsequent First Drive Experiences will build confidence, following a logical training programme tailored to suit your growing abilities, working towards the more advanced techniques of dynamic handling and skid management in readiness for your test.
- One lesson FREE! - Book six lessons and you only pay for five.
